KNOW ALL MEN BY THESE PRESENTS:

This MEMORANDUM OF AGREEMENT made and entered into this _____ day of _____ 2016 by and between:

INFORMATION AND COMMUNICATIONS TECHNOLOGY OFFICE, Department of Science and Technology, a government entity organized and existing in accordance with the laws of the Republic of the Philippines, with principal office located at ICT Office Building, Capitol Site, Telecom Road, Kumintang Ibaba, Batangas City, represented by its FOO Director, **REYNALDO T. SY**, hereinafter referred to as "ICT OFFICE";

- and -

MUNICIPALITY OF LEMERY, BATANGAS, a local government unit duly organized and existing under the laws of the Republic of the Philippines, with principal office address at LEMERY MUNICIPAL HALL, represented by its Municipal Mayor, **CHARISMA M. ALILIO** hereinafter referred to as the "LGU".

WITNESSETH:

WHEREAS, the national government through the Department of Science and Technology (DOST)-Information and Communications Technology Office (ICT Office) is undertaking the Free Wi-Fi Internet Access in Public Places Project, across the Philippines to accelerate economic, social and educational opportunities and in reducing the growing Digital Divide under the overarching e-Filipino Program of the Government;

WHEREAS, the Project is envisioned to provide free Wi-Fi Internet access in public places nationwide, but will initially cover selected cities and municipalities and public places such as Public Schools, Libraries, Hospitals, Rural Health Units, Police Stations, State Universities and Colleges, Public Transport Terminals, Seaports and Airports;

WHEREAS, the Department of the Interior and Local Government (DILG), together with the League of Municipalities of the Philippines (LMP) and the Department of Science and Technology (DOST), have agreed to cooperate and jointly commit in promoting community development through the use of information and communications technology for effective and efficient national and local governance in the country. Towards this end, the Memorandum of Understanding (MOU) dated July 24, 2015 was entered into by the three Parties. A copy of the MOU is attached herewith as Annex "A";

WHEREAS, pursuant to the MOU, and to accelerate the government's efforts in enhancing Internet accessibility for Filipinos, it is deemed imperative that this MOA be entered into by the parties herein.

NOW, THEREFORE, PREMISES CONSIDERED, the parties hereby agree as follows:

1. POLICIES

In consonance with the promotion of the use of ICT to improve delivery of critical function of government services; and provide efficient and effective ICT infrastructure and information systems to the public, the following policies are adopted:

- a. Enjoin all barangay units and LGU offices or departments to provide support and implement the Project without delay;
- b. Work together in expanding site coverage for free Wi-Fi Internet access at public places within the locality;
- c. Provide free Wi-Fi Internet access in public places without interruption except in certain circumstances such as force majeure, technical issues and similar situations which are beyond the control of the service provider or ICT Office;
- d. Abide by ICT Office issuances as well as existing laws and public policies in the posting of contents and broadcasts at the captive portal;
- e. Provide equal use and secured access to the Internet and serving as many as possible;
- f. Pursue, monitor and evaluate digital literacy and Internet adoption;
- g. Maintain sustainability and viability of the free Wi-Fi Internet access service;
- h. Promote responsible use of the Internet.

2. DEFINITION OF TERMS

- a. **Wi-Fi Internet access** - for the purpose of the Project shall be defined as connectivity to the Internet.
- b. **ICT infrastructure capacity building** - Planning component with the responsibility of the Local Government Units to integrate ICT Programs in their respective development plans on public works, utilities and structures.

- c. **ICT Office** - a government agency mandated to formulate and recommend ICT policies that will help accelerate and develop the ICT Sector, promote the use of ICT to improve delivery of critical function of government services; and provide efficient and effective ICT infrastructure and information systems to the public under the policy, technical and administrative supervision of DOST.
- d. **Project** – refers to the Free Wi-fi Internet Acces in Public Places Project.
- e. **Public places** - are social places that would be open and accessible to the general public. Public areas such as parks, plazas, schoolyards, libraries, public space in government hospitals and rural heath units, transportation terminals, seaports and airports, etc. will typically be considered public places. Also included would be spaces open to the public in local and national government offices, barangay centers, etc.
- f. **User registration and on boarding** – refers to a multi-level registration system to access the Free Wi-Fi Internet Service.
 - i. **Level 1**
This shall be the lowest level of registration and will only require the machine ID (MAC address) of a device for a user to gain access, which is implemented at the Captive Portal page.
 - ii. **Level 2**
Registrations at this level shall require that a user present a Philippine government issued ID, possibly through a web-based registration system.
 - iii. **Level 3**

The highest level of registration shall be where a user will be issued a Citizen's Digital ID subject to the requirements of the National Public Key Infrastructure that will be used to gain access to the Internet as well as full access to e-Government services.

Dear Undersecretary Casambre:

Greetings of peace!

On behalf of the people of the Municipality of Lemery in the Province of Batangas, we would like to thank you for choosing this 1st class municipality as one of the beneficiaries of the DOST-ICTO Free WI-FI Internet Access in Public Places Project. This project will help accelerate economic, social and educational opportunities for Lemereños.

Caught in the middle of the preparations for the May 2016 national and local elections, I would like to seek your consideration and understanding for the delay in our submission immediately after the new Sanggunian has convened.

Fervent for the immediate implementation of the Free Wi-Fi Internet Access in Public Places Project in our Municipality despite this delay, I assure you of our commitment to facilitate and assist any necessary work that would need to be done in establishing free wi-fi connectivity in Lemery. Furthermore, the **Local Government of Lemery** guarantees to:

- a. Extend cooperation, assistance and resources to the Project in the course of project establishment, operations, training and implementation.
- b. Monitor the participation of barangays and LGU offices and departments in the Project and their compliance with the MOA.
- c. Provide space at a location designated by the ICT Office and permit the installation of all public Wi-Fi equipment.

- d. Shoulder the electric power cost of all public Wi-Fi equipment installed in LGU owned facilities.
- e. Secure the premises, equipment, outside plant facilities and other properties for the continuous delivery of the free Wi-Fi Internet service. This includes the provision of the temporary storage for equipment and other properties needed for the project.
- f. Incorporate ICT infrastructure capacity building in our development plans.
- g. Permit the ICT Office personnel, authorized representatives and service providers to have 24/7 access in public and other pertinent places for carrying out the project implementation and its service.
- h. provide the appropriate security to ICT Office personnel and authorized persons and entities involved in the Project.
- i. Provide necessary and free administrative support, permits and/or licenses in relation with but not limited to the granting of permits in connection with the maintenance, installation and operations of the necessary equipment and facilities needed for the project, as well as in the implementation of any joint pole use agreement that may be entered into by the ICT Office with the concerned electric cooperatives or entities.
- j. Cooperate in the restoration of the service during a disaster and crisis.
- k. Designate skilled personnel to develop local content and coordinate public information and announcements such as among others promotion of tourism and commercial activities in their locality.
- l. Securing visibility and information collateral materials for the project.
- m. Submit the list and contact information of our respective coordinators for sites under the purview of the LGU.
- n. Perform such other responsibilities as may be agreed upon from time to time by both parties.

The people of the Municipality of Lemery is very much grateful for this opportunity. The commencement of this project is very much anticipated.
